

“Radiating Star” Workshop with Joanne Dalton

Saturday, Sep 24, 2022, 10:00am to 4:00pm

Fun, quick pattern, using 2.5" strips! Great for jelly rolls or ombre fabrics. Quilt size is 77" x 77", but you can just make the center star for a baby quilt (Four 16" blocks). High contrast background is suggested to make your star shine! If using a single color for your star use 4 shades to show gradation. All students are required to purchase the pattern called the *Binding Tool Star Quilt* by Missouri Star. You may omit the piano key outer border for a smaller quilt or use a single fabric.

Pattern is available at Cloth Carousal shop in Vacaville or online from Missouri Star. ([Digital copy is \\$4.95](#))

Important! Please do not cut your prints further than the 2.5" strips prior to the workshop! Joanne has tips and tricks to help us avoid errors and save yardage. Do cut your background ahead of time so you can get started sewing sooner.

Supply List for 77" square quilt -

QUILT TOP:

1 roll 2 1/2" print strips

2½ yards background fabric

INNER BORDER:

¾ yard

Optional OUTER BORDER:

1 package print 5" squares

BINDING:

¾ yard

BACKING:

4¾ yards—vertical seam(s) **OR** 2 1/2 yards 108" wide

Optional OTHER: The Binding Tool by TQM Products. There will be several available to share, or you may use any ruler with a 45-degree angle. The tool will help your cutting go faster though.
